Re: Decision 64286

Dear Judge Philip J. Dion III:

RECEIVED

I am extremely disappointed that neither you or staff addressed the major issues raised by my January 4th letter. I had hoped that you would require staff to respond to the issues raised. Instead you allowed staff ignore the issues. What a disappointment!

Am I to understand that your order remains dated December 28, 2001? In that case my 20 day opportunity to appeal your decision has passed. Is the effective date of the rate changes still January 1, 2002? I assume that the pending Procedural Order does not change any dates. Unless you state otherwise, I will assume that I cannot appeal your decision and that the compliance date remains January 1, 2002.

In order for salaries and wages to be included in the next rate case, as it was in Decision 60708, Bradshaw is immediately setting up its own payroll services.

In order to remove Professional Brokers from being recognized as the manager of Bradshaw, it is terminating its fee service for Bradshaw. Effectively immediately, Bradshaw will pay its expenses directly for its administrative operation.

Finally, Bradshaw will prepare its own tax return and will not file its return together with Lynx Creek Ranch, Inc.

I have received information regarding the curtailment tariff.

Sincerely,

DON LOVELL
